

ABOUT US

At Apply Recruitment we provide a seamless IT recruitment solution to businesses and individuals across the UK. We are a team of experienced technology recruiters who have high quality technology networks, extensive market knowledge and outstanding reputations with our customers. Whatever your challenge we deliver first time, every time.

We work with our clients as an extension of their team to introduce talented people into organisational structures. Engaging the right people involves a thorough understanding of not just the role and business makeup but also the cultural factors and potential future opportunity.

87%
of our business
is repeat business
from our
valued clients.

TESTIMONIALS

Watch our video here - applyrecruitment.co.uk/about/

“ We've got quality candidates; they're a team of individuals all with different skills, and that's testament to the dedication of the Apply team to really understand what skills we have and what we need. ”

- **Karen Johnson**, Group IT Director, Direct Healthcare Group

“ Recruitment can be difficult at the best of times but Apply Recruitment removes these barriers and provides the service that every employer needs. The quality of the candidates and the real “want” that they show when interviewing is testament to the effort that Rob and his team put into finding them. I would absolutely recommend them for any role that you need filling however challenging and diverse. ”

- **Hammond Reddie**, CTO, The Miles Consultancy Limited

“ I would highly recommend Rob and his team to any prospective professional looking for a well thought through change and any organisation who needs someone highly respected and connected in the market. ”

- **Geoff Watson**, CTO, Milk & More
